

National Week of Prayer for the Healing of AIDS

MARCH 6 - 13, 2022

The National Week of Prayer for the Healing of AIDS takes place annually in the first week of March.

The National Week of Prayer for the Healing of AIDS brings attention to the HIV and AIDS epidemic and the extraordinary role of faith communities in HIV prevention, education, and advocacy. It highlights the contributions and impact congregations make in HIV prevention, testing, direct service, advocacy, and community engagement.

The National Week of Prayer for the Healing of AIDS joins people of different faiths worldwide to pray for those infected with and affected by the disease.
